Reading: The Missing Star

Grade 3 Story. Read the text. Then answer the questions.

The Missing Star

Mr. Cruz's class made a big paper tree for the door. On Friday morning, the gold star on top was gone. The children looked in the closet. They looked in the desks. They even looked under the rug. Then Ava saw something shiny behind the bookshelf. The gap was too small for her hand, so she used a ruler to slide the star out. Everyone cheered.
