Reading: The Amazing Octopus

Grade 3 Nonfiction. Read the text. Then answer the questions.

The Amazing Octopus

An octopus has eight arms and three hearts. It has no bones, so its soft body can squeeze through very small gaps. When an octopus feels scared, it can squirt a cloud of dark ink and swim away. It can also change its color to match rocks or sand. That helps it hide from animals that want to eat it.

Circle the best answer for questions 1 to 3.

1. What is this text mostly about?

A. how an octopus eats
B. special things an octopus can do
C. where an octopus lives

2. How many hearts does an octopus have?

A. one
B. two
C. three

3. Why can an octopus squeeze through small gaps?

A. It has no bones.
B. It is very small.
C. It has eight arms.

4. Write one way an octopus can hide.
